AMENDED IN SENATE MARCH 26, 2009

SENATE BILL

No. 215

Introduced by Senator Wiggins

(Coauthor: Assembly Member Caballero)

February 23, 2009

An act to amend Section 56668 of, and to repeal Section 56668.5 of, of the Government Code, relating to local government.

LEGISLATIVE COUNSEL'S DIGEST

SB 215, as amended, Wiggins. Local government: organization.

(1) Existing law, the Cortese-Knox-Hertzberg Act, requires a local agency formation commission, when reviewing a proposal for a change of organization or reorganization, to consider specified factors, including the proposal's consistency with city or county general and specific plans.

This bill would modify that factor ~~so that~~ *to require* a commission ~~would be required~~ to consider the proposal's consistency with city or county general and specific plans, and any applicable transportation plan, when reviewing a proposal for a change of organization or reorganization, thus imposing a state mandate.

~~(2) Existing law authorizes a commission to consider the regional growth goals and policies established by a collaboration of elected officials.~~

~~This bill would repeal that provision.~~

~~(3) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.~~

~~This bill would provide that the Legislature finds there is no mandate contained in the bill that will result in costs incurred by a local agency or school district for a new program or higher level of service which require reimbursement pursuant to these constitutional and statutory provisions.~~

(2) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.
